SIKYIN IP PRIMARY EXAMINER

Manual of Pat int Examining Procedur , Section 713.04 Substance if Interview must Be Made of Record

Except as otherwise provided, a complete written statement as to the substance of any face-to-face or telephone interview with regard to an application must be

1 /

§1.133 Interviews

(b) In every instance where reconsideration is requested in view of an interview with an examiner, a complete written statement of the reasons presented at the (a) in every instance where reconsideration is requested in view of an interview with an examiner, a complete written statement of the reasons presented at the interview as warranting favorable action must be filed by the applicant. An interview does not remove the necessity for reply to Office action as specified in §§ 1.111

§ 1.2. Business to be transacted in writing. All business with the Patent or Trademark Office should be transacted in writing. The personal attendance of applicants or their attorneys or agents at the Patent and Trademark Office is unnecessary. The action of the Patent and Trademark Office will be based exclusively doubt.

The action of the Patent and Trademark Office cannot be based exclusively on the written record in the Office if that record is itself incomplete through the failure to record the substance of interviews.

It is the responsibility of the applicant or the attorney or agent to make the substance of an interview of record in the application file, unless the examiner indicates the or she will do so. It is the examiner's responsibility to see that such a record is made and to correct material inaccuracies which bear directly on the question of

Examiners must complete a two-sheet carbon interleaf Interview Summary Form for each interview held after January 1, 1978 where a matter of substance has Examiners must complete a two-sneet carbon interneal interview summary Form for each interview neith after January 1, 1976 where a matter of substance has been discussed during the interview by checking the appropriate boxes and filling in the blanks in neat handwritten form using a ball point pen. Discussions regarding been discussed during the interview by checking the appropriate boxes and filling in the blanks in neat handwritten form using a ball point pen. Discussions regarding only procedural matters, directed solely to restriction requirements for which interview recordation is otherwise provided for in Section 812.01 of the Manual of Patent only procedural matters, directed solely to restriction requirements for which interview recordation is otherwise provided for in Section 612.01 or the manual of raterit Examining Procedure, pointing out typographical errors or unreadable script in Office actions or the like, or resulting in an examiner's amendment that fully sets forth

The Interview Summary Form shall be given an appropriate paper number, placed in the right hand portion of the file, and listed on the "Contents" list on the file wrapper. In a personal interview, the duplicate copy of the Form is removed and given to the applicant (or attorney or agent) at the conclusion of the interview. In the case of a telephonic interview, the copy is mailed to the applicant's correspondence address either with or prior to the next official communication. 334.33

The Form provides for recordation of the following information:

- Application Number of the application
- Name of applicant
- Name of examiner
- -Date of interview
- Type of interview (personal or telephonic)
- Name of participant(s)) (applicant, attorney or agent, etc.)

 An indication whether or not an exhibit was shown or a demonstration conducted
- An identification of the claims discussed
 An identification of the specific prior art discussed
- An indication whether an agreement was reached and if so, a description of the general nature of the agreement (may be by attachment of a copy of amendments or claims agreed as being allowable). (Agreements as to allowability are tentative and description by the examiner to the
- The signature of the examiner who conducted the interview
- Names of other Patent and Trademark Office personnel presents.

The Form also contains a statement reminding the applicant of his responsibility to record the substance of the reminding the applicant of his responsibility to record the substance of the reminding the applicant of his responsibility to record the substance of the reminding the applicant of his responsibility to record the substance of the reminding the applicant of his responsibility to record the substance of the reminding the applicant of his responsibility to record the substance of the reminding the applicant of his responsibility to record the substance of the reminding the applicant of his responsibility to record the substance of the reminding the applicant of his responsibility to record the substance of the reminding the applicant of his responsibility to record the substance of the reminding the applicant of his responsibility to record the substance of the reminding the applicant of his responsibility to record the substance of the reminding the remaining the remaining

It is desireable that the examiner orally remind the applicant of his obligation to record the substance of the interflaw in each case unless both applicant and examiner agrees that the examiner will record same. Where the examiner agrees to record the substance of the interview, or when it is adequately recorded on the submitting a separate record of the substance of the interview.

It should be noted, however, that the Interview Summary Form with not normally be considered a complete and proper recordation of the interview unless it includes, It should be noted, nowever, that the interview summary horm will not normally be considered a complete and proper recordation of the interview unless it includes a complete and proper recordation of the interview unless it includes a complete and proper recordation of the interview unless it includes a complete and proper recordation of the interview.

A complete and proper recordation of the substance of any interview should include at least the following applicable items:

- 1) A brief description of the nature of any exhibit shown or any demonstration conducted,
- 3) an identification of specific prior art discussed,
- 4) an identification of the principal proposed amendments of a substantive nature discussed, unless these are already described on the Interview Summary
- 5) a brief identification of the general thrust of the principal arguments presented to the examiner. The identification of arguments need not be lengthy or of a prier identification of the general thrust of the principal arguments presented to the examiner. The identification of arguments need not be lengthy or elaborate. A verbatim or highly detailed description of the arguments is not required. The identification of the arguments is sufficient if the general nature or thrust of the principal arguments made to the examiner can be understood in the context of the application file. Of course, the applicant may desire to emphasize and fully describe those arguments which he feels were or might be persuasive to the examiner, 6) a general indication of any other pertinent matters discussed, and
- a general indication or any other pertinent matters discussed, and
 if appropriate, the general results or outcome of the interview unless already described in the Interview Summary Form completed by the examiner.

Examiners are expected to carefully review the applicant's record of the substance of an interview. If the record is not complete or accurate, the examiner will give the applicant one month from the date of the notifying letter to complete the reply and thereby avoid abandonment of the application (37 CFR 1.135(c)).

Examiner to Check for Accuracy

Applicant's summary of what took place at the interview should be carefully checked to determine the accuracy of any argument or statement attributed to the Applicant's summary or what took place at the interview should be calcularly checked to determine the accuracy or any argument or statement authorities to the examiner during the interview. If there is an inaccuracy and it bears directly on the question of patentability, it should be pointed out in the next Office letter. If the claims are allowable for other reasons of record, the examiner should send a letter setting forth his or her version of the statement attributed to him. If the record is craims are anowable for other reasons or record, the examiner should sent a retter setting roth his or her version or the statement attributed to him. If the record is complete and accurate, the examiner should place the indication "Interview record OK" on the paper recording the substance of the interview along with the date and
